Sir:

**PETITION/REQUEST FOR WITHDRAWAL
OF ERRONEOUS NOTIFICATION OF ABANDONMENT**

The Notification of Abandonment dated 03/17/00 is in error.

First of all, the applicant's Israeli attorney advises that the IPEA/US mis-handled the applicants' Chapter II Demand. Apparently someone at the IPEA/US has now recognized that applicants' Chapter II Demand was timely filed before the expiration of nineteen months from the priority data (i.e., before March 1, 1999) and that they are endeavoring to correct the error. However, in the meantime, the International Bureau and the National Designated Offices have been provided mis-information concerning the applicants' Chapter II Demand.

Secondly, the Notification of Abandonment indicates that applicants have failed to provide the full US basic National fee within twenty months. However, since this is appropriately filed under Chapter II, the basic national fee (paid by the undersigned on

behalf of the applicants on January 31, 2000) was only required within thirty months of applicants' priority date (i.e., by February 1, 2000). A true copy of the USPTO postcard receipt acknowledging receipt of applicants' US basic national fee on January 31, 2000 is attached.

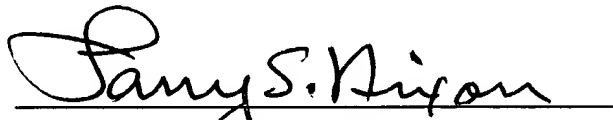

Accordingly, the USPTO is respectfully requested to research this matter and to correct appropriate USPTO records and to withdraw the outstanding Notification of Abandonment as soon as possible.

Any petition fee or other fee required for consideration and granting of this petition/request may be charged to our Deposit Account No. 14-1140.

Respectfully submitted,

NIXON & VANDERHYE P.C.
